Each person named in a nomination (except for notary public) shall be required to appear in person before a meeting of the Executive Committee, convened for the purpose of considering the qualifications of such person for the office for which he or she has been nominated. The appearance of such nominee may be waived by the Executive Committee by the vote of the majority of the members appointed to such Committee.

On considering the report of the Executive Committee on a nomination, the Presiding Officer shall put the following question: "Does the Senate advise and consent to the nomination just made?" Whenever a group of names has been submitted together, upon the request of five (5) or more members, the question shall be put and the vote taken upon each of the individuals in said group, provided, however, that the Senate may determine, by a majority vote, after having voted upon the question of one or more of such nominees individually, to act upon the question of the remaining nominees in that group as a unit.

While any nomination remains with the Senate, it shall be in order to reconsider any vote taken thereon, subject to the provisions of Rule 52.

## **DISCHARGE OF COMMITTEE**

10. A majority of the Senators elected may by motion recall a Bill, resolution or other matter from a committee and discharge the committee from further consideration of the same.

The Secretary of the Senate shall also furnish the chairman of the Committee to which said Bill is referred, a sufficient number of copies to furnish each member thereof, two copies of each Bill.

Thereafter, the Committee on Committees shall formulate as many Standing Committees and divisions thereof as deemed desirable, and appoint the members of said committees, which committees shall be known as Standing Committees. The committees to be appointed shall include at least the following:

- a. A Committee on the Assignment of Bills.
- b. An Executive Committee.

- a. The time and place of each hearing, and of each meeting of such Committee or Division.
- b. The attendance of Committee members at each meeting.
- c. The vote of each member on all motions, Bills, resolutions and amendments acted upon.

Such a record shall be ready and approved before the expiration of ten days after each Committee or Division meeting or at the next regular meeting of the Committee or Division.

There shall be filed, in the proper envelope, with every Bill or resolution reported upon, a sheet containing the foregoing information as to such Bill or resolution, to be filed by the Secretary of the Senate

numerically by the number of the Bill or resolution in such form as to be most accessible for the use of the members and the public, during the session, and at the end thereof in the Office of the Secretary of State.

No hearing by a Standing Committee, except the Committees on Rules, Assignment of Bills and Committee on Committees, and except continued hearings, nor by a Division of a Standing Committee upon any Bill or Resolution shall be held unless notice thereof is given in the following manner:

By the Chairman of the Committee or Division posting notice thereof on the Senate bulletin board at least six days before the proposed hearing, such notice to contain the day, hour and place of the hearing and the number or numbers of the Bills or Resolutions to be considered at such hearing, and placing a copy of such notice on the desk of each member of the Committee or Division.

Meetings of the Committees on Rules, Assignment of Bills, Committee on Committees, and Senate Operations may be called on any day on which the Senate is in session by the Chairman making an announcement thereof during the session or by giving notice to the members of said Committee on the legislative day preceding the meeting in substantially the form required by the paragraph next above.

No hearing shall be held by the Executive Committee on any nomination to public office or by the Committee on Public Finance on any appropriation bill, until at least six days after notice of such hearing shall have been given on the bulletin board and to the members of said Committee in substantially the form required by the paragraph next above.

Meetings of the Committees on Rules, Assignment of Bills, Committee on Committees, Senate Operations and Executive (when considering matters other than nominations to public office), may be called on any day on which the Senate is in session by the Chairman making announcement thereof during the session or by giving notice to the members of said Committee on the legislative day preceding the meeting in substantially the form required by the paragraph next above.

Every Committee hearing shall be open to the public.

## **COMMITTEE REPORTS**

13. All Senate Bills favorably reported from Committee, or with respect to which a committee has been discharged, shall stand on the order of second reading unless otherwise ordered by the Senate, and may be amended in every particular on second reading. Bills reported from Committee without recommendation shall lie on the table unless ordered placed on the calendar by the Senate. The phrase "ordered by the Senate," as used in this paragraph, and in Rule 5, means by a majority of those voting on the question.

Bills reported from a Committee with the recommendation "do not pass" shall lie on the table until the next legislative day, at which time, unless a written motion is made to take such Bills from the table, supported by a majority vote of the members elected, such Bills shall be considered as finally tabled and stricken.

A bill or resolution referred to a committee and not set for hearing within sixty days of assignment shall be reported from the Committee with the rec-

ommendation "do not pass", at which time, unless a motion to re-commit is made, supported by a majority vote of the members elected, such Bill or resolution shall be considered as finally tabled and stricken. If the motion to re-commit is supported by a majority vote of the members elected, such Bill or resolution shall be set for hearing at the next regularly scheduled meeting of the Committee.

## **CONFERENCE, SPECIAL COMMITTEES**

14. All Senate members of Conference Committees, Special Committees, Senate Commissions and Joint Commissions, shall be selected and named by the Committee on Committees, unless otherwise provided by statute.

When the Senate is in recess, Special Temporary Committees may be appointed by the Presiding Officer. The action of the Presiding Officer and of said Committee shall stand as the action of the Senate unless such action shall be amended or modified on roll call by a majority of the Senators present at the next session of the Senate.

## **PRIORITY OF STANDING COMMITTEE**

15. When motions are made for reference of the same subject to a special committee and to a standing committee, the question of reference to a standing committee shall be first put.

## **READING AND PRINTING BILLS**

16. Every Bill shall be read at large on three different days, and the Bill and all amendments shall be printed before the vote is taken on its final passage.

## **AMENDMENTS—SECOND READING**

17. Amendments to Bills, except amendments striking out an emergency provision, may be offered at the conclusion of the second reading and shall be printed when adopted, and shall be filed in their proper order, immediately following the printed copy of the Bill, in the binder on each Senator's desk, one day before such amended Bill shall be read a third time, provided that during the last five legislative days of the regular Session this requirement shall be considered to have been complied with if the amendment or amendments have been printed and filed in their proper order at any time before such amended bill shall be read a third time.

When requested by five (5) or more members, amendments shall be printed and properly filed in the binders before such amendments may be voted upon on the order of second reading.

Amendments to Bills that propose to amend an existing law shall be in writing and shall indicate the changes in the existing law in the same manner as is required in Rule 5 for the introduction of Bills.

## **ENACTING CLAUSE**

18. A motion to strike out the enacting words of a Bill shall have precedence over a motion to amend, and, if carried, shall be deemed equivalent to rejection of the Bill.

## **BLANKS**

19. When a blank is to be filled, and different sums or times are proposed, the question shall be first put on the largest sum and the longest time.

## **ENROLLING AND ENGROSSING BILLS**

20. It shall be the duty of the Clerk of the Enrolling and Engrossing Unit to examine all Bills and report mistakes therein, if any, to the Secretary of the Senate. The Secretary shall make such reports as are necessary, to the Senate. Such reports may be made at any time.

## **FINAL PASSAGE OF BILLS**

21. On the final passage of all Bills, the vote shall be by yeas and nays, upon each bill separately, and shall be entered upon the Journal; and no Bill shall become a law without the concurrence of a majority of all Senators elected.

## **NO AMENDMENTS ON THE THIRD READING**

22. No amendments shall be in order at the third reading of a Bill, resolution or motion requiring three readings except to strike out an emergency clause; but it shall be at all times in order before the final passage of such Bill, resolution or motion to move its commitment or re-commitment, as the case may be.

## **EMERGENCY BILLS**

23. When an emergency is expressed in the preamble or body of an Act as a reason why such Act should take effect prior to the first day of July next after its passage, and when such act contains a clause or proviso fixing such time prior to the first day of July, the question shall be "Shall the bill pass?" and if declared affirmatively by a vote of two-thirds of the Senators elected, then the Bill shall be deemed passed but, if upon such vote, a

majority of less than two-thirds of all said Senators vote affirmatively on said question, then the vote on said Bill shall be deemed reconsidered, and the Bill subject to amendment by striking out such part thereof as expresses an emergency and the time of taking effect, and then said Bill shall be under consideration, upon its third reading, with the emergency clause and time of taking effect stricken out.

### **VOTING WITHIN BAR**

24. No Senator shall be permitted to vote on any question unless within the bar before the vote is announced. The provisions of Rule 40 relating to suspension of Rules shall not apply to this rule.

### **ANNOUNCING VOTE**

25. Subject to Rule 28, when the yeas and nays shall be taken on any question, no Senator shall be permitted to vote, or to change his vote, after a decision is announced from the chair, unless by the unanimous consent of the Senate.

### **ABSENTEES**

26. Upon the call of the roll on any question, the names of the Senators shall be called by the Secretary of the Senate, and the absentees noted, after which names of such absentees shall once again be called, if such action be requested by the sponsor. Those absentees for whom in the opinion of the majority of the Senators present, no excuse or insufficient excuse is made, may be taken into custody as he or they appear; or he or they may be sent for and taken into custody and brought forthwith to the Senate Chamber by the Sergeant-at-Arms of the Senate, when so ordered by a majority of the Senators present.

## **JOURNAL**

27. The Senate shall keep a journal of its proceedings, which shall be published.

It shall be the duty of the Secretary to keep the Journal, in which he shall seasonably record the motions, resolutions, rules and decisions of the Senate, and to do and perform all such other acts appertaining to his office as may be required of him by the Senate.

## **ROLL CALL REQUESTED**

28. Upon the request of two members made before the Senate has taken action on any other question, which requests may be oral or in writing, and before or after a viva voce vote or before or after a division, the yeas and nays shall be taken on question and entered upon the Journal. Any member arising to a question of personal privilege for the purpose of demanding the yeas and nays on any question or matter shall be given precedence over all other matters.

## **DECORUM AND DEBATE**

29. When any Senator is about to speak or deliver any matter to the Senate, he shall rise from his seat and address the Presiding Officer as "Mr. President." Upon being recognized by the Chair, the latter will address him by name and thereupon, and not until then, the engineer in charge of operating the microphones in the Senate will give the use of the microphone to the Senator who has been so recognized. The latter in speaking shall confine himself to the subject matter under discussion and avoid personalities.

No member shall request the floor upon a matter of personal privilege for the purpose of introduction of guests in the galleries unless the presiding officer shall have first announced that the general order of business of the Senate has been completed or suspended and that introduction of guests is in order.

30. If any Senator in speaking (or otherwise) transgresses the rules of the Senate, the President shall, or any Senator may, call him to order, in which case the Senator so called to order shall sit down, unless permitted to explain; and the Senate if appealed to, shall decide on the case without debate. If the decision be in favor of the Senator called to order, he shall be at liberty to proceed. If otherwise, and the case requires it, he shall be liable to the censure of the Senate.

31. If any Senator be called to order for words spoken in debate, the person calling him to order shall repeat the words excepted to, and they shall be taken down by the Secretary; but no Senator shall be held to answer or be subject to the censure of the Senate for words spoken in debate, if any Senator has spoken in debate or other business has intervened after the words spoken and before exceptions to them shall have been taken.

32. If two or more Senators rise at once, the President shall name the Senator who is to speak first.

33. No person shall give any signs of approbation or disapprobation while the Senate is in session.

34. No Senator shall speak more than twice on the same question, nor more than once until every Senator choosing to speak shall have spoken, nor longer than fifteen minutes at any one time without

the consent of the Senate.

Any Senator may speak for not longer than three minutes in explanation of his vote on any roll call.

35. While the Presiding Officer is putting a question, no Senator shall leave or walk across the Senate Chamber. When a Senator is addressing the Senate, no Senator shall entertain private discourse nor pass between the speaker and the Presiding Officer.

## **PROTEST**

36. Any two Senators shall have the right to dissent and protest in respectful language, against any act, or resolution which they may think injurious to the public or to any individual, and have the reason of their dissent entered upon the Journal; Provided, that when objection is made that the language of a protest is not respectful, the Senate may refer the same back to the Senators protesting.

## **DISORDERLY BEHAVIOR**

37. The Senate may punish its members for disorderly behavior, and, with the concurrence of two-thirds of all the Senators elected, expel a Senator but not a second time for the same cause; and the reason for such expulsion shall be entered upon the Journal with the names of the Senators voting on the question.

38. The Senate during its session, may punish by imprisonment any person, not a Senator, who shall be guilty of disrespect to the same, by any disorderly or contemptuous behavior in its presence; but such imprisonment shall not at any time exceed twenty-four hours, unless the person shall persist in such disorderly or contemptuous behavior.

## **EXECUTIVE SESSIONS**

39. The sessions of the Senate shall be open to the public at all times except when, in the opinion of the Senate, an executive session is in order.

## **SUSPENSION OF RULES**

40. No rule of the Senate shall be altered, suspended or rescinded, except by unanimous consent of the Senators present, or upon motion supported by affirmative vote on roll call of three-fifths of the Senators elected, but any alteration, suspension, or decision having the approval of the Committee on Rules may be adopted on roll call by a majority of the Senators present.

## **MOTIONS**

41. No second shall be required to any motion presented to the Senate.

42. When a motion is made it shall be stated by the President, or being in writing, shall be handed to the Secretary and read aloud before debate.

43. Every motion shall be reduced to writing, if any Senator desires it, in which event the proponent of such motion may forthwith reduce such motion to writing and have action thereon taken immediately.

44. After a motion is stated by the President or read by the Secretary, it shall be deemed in the possession of the Senate, but may be withdrawn at any time by the unanimous consent of the Senate before decision.

## **PRECEDENCE OF MOTIONS**

45. When a question is under debate, no motion shall be received, but —

To adjourn,

To question the presence of a quorum,

To lay on the table,

The previous question,

To postpone indefinitely,

To postpone to a day certain,

To commit, or re-commit,

To close debate on pending questions, or

To amend,

which several motions shall have precedence in the order in which they stand arranged.

During a roll call no motion, except a motion to postpone, shall be in order until after the announcement of the result of the vote.

## **PRIORITY OF MOTIONS**

46. A motion to commit, or re-commit, until it is decided, shall preclude all amendments and debate on the main question; and a motion to postpone indefinitely or to a day certain, until it is decided, shall preclude all amendments on the main question.

## **MOTION TO ADJOURN**

47. A motion to adjourn shall always be in order except when the roll is being called and except when, a previous motion to adjourn having been defeated, no intervening business has been transacted.

Motions to adjourn or to lay on the table shall be decided without debate.

The yeas and nays shall be taken and entered upon the Journal upon every motion to adjourn.

## **MOTION TO POSTPONE**

48. No motion —

To postpone to a day certain,

Or indefinitely,

Or to commit, or recommit,

being decided in the negative, shall again be allowed on the same day, or at the same stage of the bill or proposition.

After a roll call has been started, any motion to suspend such roll call shall be considered as a motion to postpone further consideration, provided that such motion may be made only by the principal sponsor.

A motion to postpone further consideration or to suspend a roll call on a bill or proposition may not be made more than once on the same bill or proposition.

## **MOTION TO TABLE**

49. A motion to lay any particular proposition on the table shall apply to that proposition only.

## **MOTION ON DIFFERENT SUBJECT**

50. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

## **QUESTION— DIVISION OF QUESTION**

51. If the question in debate contains several points, any Senator may have the same divided; but on motion to strike out and insert, it shall not be in order to move for a division of the question; but the rejection of a motion to strike out and insert one proposition shall not prevent a motion to strike out and insert a different proposition.

## **RECONSIDERATION OF QUESTION OR NOTICE THEREFOR**

52. When a question has been once put and carried in the affirmative or negative, it shall be in order for a member of the prevailing side to move, on the same or following legislative day, for the reconsideration thereof, or give notice on the same or following legislative day, that he will make such motion not later than the next legislative day following the day on which he gives said notice, during which time he shall have control of the motion, but no motion for the reconsideration of any vote shall be in order after a bill, resolution, message, report, amendment or motion upon which the vote was taken shall have gone out of the possession of the Senate; nor shall any motion for reconsideration be in order unless within the next day of actual session of the Senate; provided, that should the Senator giving notice of the motion to reconsider not make such motion within the time prescribed by the rules, any other Senator voting with the prevailing side may make such motion within the next succeeding legislative day, but no notice of a "motion to reconsider" shall be received within five legislative days of the time fixed for the final adjournment of the General Assembly. Such motion shall take precedence of all other questions, except a motion to adjourn.

In the event that a motion to reconsider has been made within the time prescribed by the rules, but has not been acted upon because the Senate has not considered the order of business under which motions may properly be presented, the motion shall be considered in effect until the next legislative day upon which that order of business is reached. Under that order of business the motion shall be called up for a vote by the member making the motion, or it shall be deemed to have been withdrawn.

Whenever notice of a motion to reconsider is given, or a motion to reconsider is made, within the time prescribed by the rules, the Secretary of the Senate shall not allow the Bill, or other subject matter of the motion, to pass out of the possession of the Senate until after the motion has been decided or withdrawn.

53. Upon a motion to reconsider the vote on the final passage of any Bill, the affirmative vote of a majority of all the Senators elected shall be required to reconsider the same.

54. If a Bill shall fail to pass on account of not having received the constitutional majority any Senator having voted in the negative shall have a right to move a reconsideration.

## **PREVIOUS QUESTION**

55. The previous question shall be stated in this form: "Shall the main question be now put?" and, until it is decided, shall preclude all amendments or debate. When it is decided that the main question shall not be put the main question shall be considered as still remaining under debate.

56. The effect of the main question being ordered shall be to put an end to all debate and bring

the Senate to a direct vote; first, upon all amendments reported or pending, in the order in which they are offered. After the motion for the previous question has prevailed, it shall not be in order to move for a call of the roll of the Senate (unless it shall appear by the yeas and nays as taken on the main question that no quorum is present), or to move to adjourn, prior to a decision on the main question.

## **EXECUTIVE COMMUNICATIONS AND NOMINATIONS**

57. Messages from the Governor and communications from State officers may be received at any time, except when the President is putting a question or the yeas and nays are being called. The consideration of executive business shall take place with closed doors, unless otherwise ordered by a majority of Senators present.

## **SUBSTITUTE BILL**

58. When a committee reports a substitute for an original Bill, with the recommendation that the substitute pass, it shall be in order to read the substitute a first time at once.

## **CONFERENCE REPORTS**

59. No subject matter shall be included in any conference committee report on an appropriation bill unless such subject matter directly relates to matters of differences between the Houses and has been specifically referred to the Conference Committee. No appropriation bill shall be passed and no report of any Conference Committee on any appro-

priation bill shall be considered unless the bill or report has been printed in its final form and placed on the desks of the members at least three legislative days prior to the final passage of the bill or the consideration of the report. This requirement may be waived only during the last five legislative days of the session by a motion supported by a majority of the Senators present.

## **CONCURRENCE IN HOUSE AMENDMENTS TO SENATE BILLS**

60. Any Senate Bill amended in the House and returned to the Senate for concurrence in the House amendment shall lie upon the desk of the Secretary one full legislative day before being further considered. This requirement may be waived during the last five legislative days of the session by a motion supported by a majority of the Senators present.

No Senate Bill which shall be returned to the Senate with House amendments shall be called from the Secretary's desk except by the principal sponsor.

## **OFFICERS' DUTIES**

61. The Lieutenant Governor shall be President of the Senate and shall vote only when the Senate is equally divided.

## **THE PRESIDENT**

62. The Lieutenant Governor, or in his absence, the President pro tempore, or in the absence of both, any Senator called to the chair by the Senate, shall take the chair every day precisely at the hour

to which the Senate shall have adjourned; shall immediately call the Senators to order, and, on the appearance of a quorum, shall cause the Journal of the preceding day to be read, or if the provisions of Rule 4 are applicable and if request is made by the sponsor of an item of business which was unfinished at the conclusion of the Session of the preceding legislative day, he shall announce consideration of that unfinished business.

63. The presiding officer shall preserve decorum and order; may speak to points of order in preference to other members, arising from his seat for that purpose and shall decide questions of order subject to an appeal to the Senate by any two Senators—on which appeal no Senator shall speak more than once, unless by leave of the Senate.

63a. In any appeal taken from a ruling of the presiding officer, the presiding officer shall be sustained unless three-fifths of the Senators elected vote to overrule him.

64. He shall rise to put a question, but may state it sitting.

65. Question shall be put in this form, viz., “As many as are of the opinion that—(as the case may be) say ‘Aye’,” and after the affirmative vote is expressed, “As many as are of the contrary opinion say ‘No’.” Subject to Rule 28, if the President doubts the results of the vote, or a division is called for, the Senators shall divide; those in the affirmative shall first rise from their seats, and afterwards those of the negative.

66. The President shall examine and report to the Senate in writing any corrections in the Journal, before it is approved, which he deems should be made thereto, and if said corrections shall be approved by the Senate the same shall be made by the Secretary. Upon announcement by the President that he has been unable, for good cause, to examine the Journal prior to reaching that order of business, the approval of the Journal may be deferred. The President shall examine the Journal and report to the Senate as soon as possible thereafter. When the President is absent from the Senate Chamber, or leaves the chair, the President pro tempore shall preside. If both the President and President pro tempore are absent, the Secretary shall call the Senate to order, and the Senate shall select its Presiding Officer from among its members. If the President desires to leave the chair for a brief period, and the President pro tempore is not present in the Senate Chamber, the President may designate a Senator to act as Presiding Officer; and the President pro tempore, or such substitute, as the case may be, when presiding shall be vested with all the powers of the President during the time he shall act as such but shall not lose the right of voting on any question while so presiding.

67. In case of any disturbance or disorderly conduct in the lobby or gallery, the President shall have the power to order the same to be cleared.

68. The Committee on Senate Operations shall assign to the Secretary of the Senate, the President pro tempore, the Minority Leader, the Sergeant-at-Arms and his assistants, and to the Postmistress, pages, stenographers and janitors, their respective

office quarters and to the Standing Committees and Special Committees their respective rooms, and shall have the duty of employing and discharging all employees of the Senate (except such as are elected by the Senate) and of defining their duties. Any misconduct or neglect of duty on the part of any appointed employee of the Senate shall be reported by the Sergeant-at-Arms or by any Senator to the Committee on Senate Operations, which shall have full power to take appropriate action. Any action taken by the said Committee in hiring, discharging or disciplining a Senate employee may be reversed or amended by an appropriate motion, supported by a majority of the members elected to the Senate.

## **SECRETARY OF SENATE**

69. The Secretary of the Senate shall be the custodian of all Bills introduced in the Senate, or reported from the House, which shall be kept in his office, and shall be withdrawn from his office only when required for printing or by the respective standing or special committees of the Senate, and upon the order of the chairman or acting chairman of such committee, and the clerk of such committee or person delivering such order at the Secretary's office shall subscribe his name upon the bill record before removing any such Bill from the Secretary's office. No Bills shall be withdrawn from the Secretary's office in any other manner.

No copies of original Bills shall be made by any person, except an employee of the Legislative Reference Bureau engaged in preparing material for the Legislative Digest, while in the hands of the printer or committee.

The foregoing provisions shall not apply to printed copies of Bills.

70. All assistant secretaries and other employees of the Secretary of the Senate's office shall report to him and be under his supervision and control.

### **SERGEANT-AT-ARMS**

71. It shall be the duty of the Sergeant-at-Arms to attend the Senate during its sittings, to execute the commands of the Senate from time to time, together with all such process issued by authority thereof as shall be directed to him by the President or President pro tempore, and all process issued by order of the Senate, or any Committee thereof, shall be signed by the President or President pro tempore.

### **ENROLLING CLERK**

72. The Enrolling and Engrossing Clerk and his assistants shall be under the control and supervision of the Secretary of the Senate.

### **EMPLOYEES**

73. All appointed officers and employees of the Senate shall report daily to the Sergeant-at-Arms, who shall report to the Committee on Senate Operations any and all of said employees who fail properly and regularly to perform their duties. The Committee on Senate Operations shall then proceed as empowered by Rule 68.

The Committee on Senate Operations shall provide an employee with appropriate qualifications to act as Committee Clerk for each of the Standing Committees of the Senate and also for each Special Committee created by the Senate.

## **ROBERT'S RULES**

74. The rules of parliamentary practice comprised in Robert's Rules of Order shall govern the Senate in all cases to which they are applicable, providing they are not inconsistent with the standing rules and orders of the Senate.

### **LENGTH OF ADJOURNMENT**

75. The Senate shall not adjourn, without the consent of the House of Representatives, for more than two days, nor to any other place than that in which the two Houses shall be sitting.

## JOINT RULES

1. When a message shall be sent from the Senate to the House of Representatives, or from the House of Representatives to the Senate, it shall be respectfully communicated to the Clerk or Secretary by the person by whom it may be sent, and said Clerk or Secretary shall receipt for said message.

2. Messages shall be sent by such persons as a sense of propriety in each House may determine to be proper.

3. In every case of disagreement between the two Houses, if either House requests a conference, and appoints a committee for that purpose, the other House shall appoint a committee to confer therewith upon the subject of their disagreement. On each and every conference committee on any bill or resolution there shall be appointed members of the majority and minority party in each House. In every instance the number of majority party members from each House shall be one more than the number of minority members from each House. In every instance the number of members from each House shall be an odd number. But no subject matter shall be included in any conference committee report on an appropriation bill unless such subject matter directly relates to matters of differences between the Houses and has been specifically referred to the Conference Committee. Said committee shall meet at a convenient time to be agreed upon by their chairman, and, having conferred freely, each shall report to its respective House the result of their conference. In case of an agreement the report shall be first made, with the papers referred accompanying it, to the disagreeing House, and there acted upon.

And no appropriation bill shall be passed and no report of any Conference Committee on an appropriation bill shall be considered unless the bill or report has been printed in its final form and placed on the desks of the members at least three legislative days prior to the final passage of the bill or the consideration of the report except within ten days prior to June 30th during any regular session. And such action shall be immediately reported by the Clerk or Secretary to the other House, the papers referred accompanying the message. In case of disagreement, the papers shall remain with the House which referred them. The agreeing report of a conference committee shall be made, read and signed in duplicate by a majority of the members of the committee, one of the duplicates being retained by each House. Should either House disagree to the report of the committee, such House shall appoint a second committee and request a second conference, which shall be acceded to by the other House before adhering. The motion for a committee of conference and the report of such committee, shall be in order at any time. When both Houses shall have adhered to their disagreement, a bill or resolution is lost.

4. Any bill which when introduced consists of over fifty typewritten pages shall, before it is entitled to consideration by either House or any committee thereof, be accompanied by a printed index showing the contents of such bill.

No resolution providing for a Constitutional amendment shall be introduced in the House or Senate after April 1st in any regular session.

5. While bills are on their passage between the two Houses they shall be accompanied by a message signed by the Clerk or Secretary, as the case may be.

When a bill or a resolution for a Constitutional amendment is passed or adopted by the House of origin after having been amended, the Clerk of the Committee on Enrolling, Transcribing and Typing Bills of that House shall prepare printer's copy of the bill or resolution, with the amendments incorporated, for the use of the second House.

6. After a bill has passed both Houses, it shall be enrolled and prepared in its final form by the Clerk of the Committee on Enrolling, Transcribing, and Typing of Bills of the House in which the bill originated before it is presented to the Governor. In the case of bills amending existing statutes, the changes made in existing law shall be indicated in the same manner as is provided in rule 18 for preparation of bills.

7. After examination, each bill shall be signed in the respective Houses by the Speaker of the House of Representatives and by the President of the Senate; and certified by the Clerk or the Secretary of the House in which it originated.

8. After a bill shall have been signed by the President of the Senate and the Speaker of the House of Representatives, it shall be presented by said Clerk of said Committee of either House to the Governor for his approval.

9. All resolutions and memorials shall be signed by the presiding officer of each respective House, and attested to by the Clerk or Secretary thereof, and filed with the Secretary of State.

10. When a bill or resolution which shall have passed one House is rejected in the other, information thereof shall be given to the House in which the same shall have passed.

11. When a bill, memorial or resolution which has passed one House is rejected in the other, it shall not again be introduced during the same session, except in the House so rejecting, and after three days' notice and leave of that House.

12. While the two Houses are acting together upon elections, or on any other matter, the Speaker shall preside, and all questions of order shall be decided by him, subject to an appeal to both Houses, as though but one body was in session. A call of members of either House may be had in joint meeting by order of the House in which the call is desired, and to constitute a quorum of the joint assembly, a majority of all the members elected to each House shall be present and voting.

13. Motions to postpone or adjourn shall be decided by a joint vote of both Houses, and yeas and nays upon such motions, if required, shall be entered upon the Journals of both Houses.

14. Upon questions arising requiring the separate decisions of either House, the Senate shall withdraw until the decision is made: Provided, that questions upon motions for a call of either House shall not come within the provisions of this rule.

15. Each House shall have the liberty of ordering the printing of bills, messages and reports without the consent of the other.

16. Whenever any message, bill, report, or document shall be ordered to be printed by the Senate or House, for the use of both Houses, it shall be the duty of the Secretary of the Senate or Clerk of the House (as the case may be) immediately to report the fact of the passage of such order to the other branch of the General Assembly, together with the

number so ordered to be printed in case the same shall exceed 300.

17. Only the Speaker of the House and/or the President Pro Tempore of the Senate shall, with the knowledge and consent of the other, assign the Joint Hearing Room No. 212 to a standing or special committee of either House. The Speaker of the House and the President Pro Tempore of the Senate may authorize its other uses. Smoking shall be restricted to committee members.

18. All bills, amendments, resolutions and conference committee reports must be typed, double-spaced, on 8 ½ by 14 inch paper in a type face with excellent reproduction qualities. A margin of one inch on the left and right side and at the top and bottom shall be preserved. In the case of all bills and of resolutions proposing Constitutional amendments, the lines on each page shall be numbered consecutively from top to bottom at the left margin, and the left typing margin shall be two spaces to the right of the line numbers.

Pages commencing with page 2 shall be numbered at the top center of the page.

Bills amending existing statutes and amendments to such bills must show the changes in existing law in the following manner:

- (a) All new matter must be underscored;
- (b) All matter which is to be omitted or superseded shall be shown crossed with a line.

The Secretary of the Senate or the Clerk of the House of Representatives, as the case may be, shall, in cooperation with the Legislative Reference Bureau, provide for each bill a cover page on which

shall appear the numerical designation of the bill and of the year and General Assembly in which introduced, a place for the synopsis prepared by the Legislative Reference Bureau in accordance with "An Act in relation to printed bills in the General Assembly", the date of introduction, the names of the sponsors and the words, "A BILL FOR".

All bills, amendments to bills, conference committee reports and resolutions proposing Constitutional amendments shall be printed by the photo-offset method, reduced to 75%, using paper stock of 8½ by 11 inches. Such number of copies shall be printed as may be ordered.

When a bill or a resolution for a Constitutional amendment is passed or adopted by the House of origin after having been amended, it shall be reprinted with the amendments incorporated. If no amendments are adopted in the House of origin, the original printed bill or resolution may be considered in the second House without further printing if a sufficient number of copies are available, but, if additional copies are needed, the second House may order reprinting.

Journals shall be set solid, without unnecessary slugs or leads, in 10 point type for all proceedings, except that each division list of the yeas and nays shall be set in nonpareil (6 point) type in 5 columns in alphabetical order, and resolutions, amendments, messages, addresses, reports, written motions and protests shall be set in 8 point type.

Journals shall be printed letter press on 6 by 9 inch paper.

The Secretary of State shall first cause the roll of the members elect as shown by the official election returns on file in his office to be called and shall cause the oath of office to be administered to such of the members elect as are present. The Secretary of State shall then call for nominations of members for the office of temporary Speaker. When such nominations are completed, the Secretary of State shall cause the roll of members to be called for the purpose of voting for temporary Speaker. A quorum of the members being present, the person receiving a majority of the votes cast for the office of temporary Speaker shall be declared elected. The temporary Speaker shall then relieve the Secretary of State as presiding officer, and the House shall proceed to the election of a Speaker from its membership and the election of a clerk and doorkeeper from without its membership. The same vote shall be necessary for the election of such officers as is required by this rule for the election of a temporary Speaker. In the election of any officer of the House a member who answers "present" shall not be counted as voting.

Bills shall appear upon the calendar in numerical order and those amended shall be so designated.

There shall be printed a Consent Calendar which shall be printed on the daily calendar and separately designated. On final passage of any bill appearing on the Consent Calendar, the roll call shall be taken on each bill separately and shall be so entered in the Journal. Immediately prior to a vote on the first bill on the Consent Calendar the Speaker shall call to the attention of the members the fact that the next roll call will be the roll call on the passage of the first bill on the Consent Calendar.

A bill placed on the Consent Calendar shall stand for not less than 1 legislative day on the order of Consent Calendar—Second Reading at which time the bill shall be read a second time and any committee amendments shall be deemed adopted; thereafter the bill shall stand for not less than 3 legislative days on the Order of Consent Calendar—Third Reading before a vote on final passage may be taken.

The Speaker and the minority leader shall each appoint three members who may challenge the presence of any bill upon the Consent Calendar. Prior to a vote on passage on any bill upon the Consent Calendar, the bill shall be removed from the Consent Calendar if

Any bill to which amendments have been proposed by a committee or which has been amended, which is removed from the Consent Calendar shall stand on the daily calendar in its original unamended form; all amendments shall be in order for adoption or rejection in accordance with these Rules as if the bill had never been on the Consent Calendar.

with the number, of any bill of which the member is the principal sponsor, being placed in parentheses. In every issue of the Synopsis and Digest all co-sponsors shall be shown in the main part of the Digest where bills and resolutions are listed in numerical order.

34. The Clerk shall indorse on every original bill and each copy thereof, the number thereof, the name of the member introducing it, the date of introduction, and the several orders taken thereon; and when printed said several indorsements shall be printed at the head of the bill.

35. The original of all bills shall remain in the custody of the House.

36. Appropriations for the offices of Governor, Lieutenant Governor, Secretary of State, Attorney General, Treasurer, Auditor of Public Accounts, and Superintendent of Public Instruction shall be made by separate bills for each office.

37. Every bill shall be read at large on three different days.

38. When a bill is introduced, it shall be read at large a first time, ordered printed, and referred to the proper committee for consideration, except that in cases of demonstrable emergency, a bill may be advanced without reference to committee.

39. (a) The Speaker, at his discretion, may lay any bill or resolution before the House acting as a Committee of the Whole House. No bill or resolution shall be considered in the Committee of the Whole House until two days after the same shall

have been printed and placed on the desks of the members. If the House refuses consent to such reference, the bill or resolution shall be referred by the Speaker to an appropriate committee.

(b) In forming a committee of the Whole House, the Speaker shall leave his chair, and a chairman to preside in the committee shall be appointed by the Speaker. No amendment shall be offered to any bill or resolution while being considered by a Committee of the Whole.

40. All bills for appropriations of money from the State Treasury, or providing for the expenditure of money when referred to other committees and by them reported back to the House with favorable recommendations, shall be referred to the Committee on Appropriations for its consideration before being finally acted upon by the House.

41. (a) When a Senate Bill is delivered to the Clerk he shall at the earliest opportunity report the bill and message accompanying it to the House whereupon it shall be put upon the order of messages on the Speaker's Table. Thereupon, the bill shall be read by its title, ordered printed and placed in the order of Senate Bills on first reading; after being read a first time, it shall be referred to the proper committee for consideration, except that in the case of demonstrable emergency a bill may be advanced by the House to Second reading without reference to committee.

(b) A Senate Bill shall not be read a first time until a House member identifies himself to the Speaker as the House Sponsor. The name of the

House sponsor on a Senate Bill shall be printed on the calendar in brackets following the name of the Senate sponsor. The Senate sponsor may remove the House sponsor by notifying the Speaker in writing.

42. (a) Whenever a fiscal note may be required for a bill, by statute or by the request of a member of the House, the sponsor of the bill shall comply with the requirements of the applicable statute, and shall obtain the fiscal note in the manner and form required by law.

(b) In order to give proper notice to the requesting sponsor of a bill, the Legislative Reference Bureau shall affix to the original of all bills which it drafts and prepares, a stamp or rider indicating that a fiscal note may be required or requested for the bill by the terms of the applicable statute. The Legislative Reference Bureau shall also place an abbreviation or symbol following the listing of each House bill in the legislative synopsis or digest, indicating that a fiscal note may be required or requested for such bill.

(c) Whenever a sponsor obtains a fiscal note, the note shall be filed in the Clerk's Office, with a time stamp endorsed thereon of the hour and date of such filing, and the fiscal note shall be attached to the original of the House bill. Any House member shall thereafter be given an opportunity to examine or copy the attached fiscal note. If a fiscal note is obtained by a sponsor, he shall immediately notify the Legislative Reference Bureau, which will thereafter indicate in subsequent issues of the legislative synopsis and digest that a fiscal note for said bill has been obtained.

(d) If the principal sponsor of a bill obtains a fiscal note for the bill prior to the hearing of the bill in any House committee, he shall obtain copies of the fiscal note and present a copy to the members of any House committee hearing said bill at or before the time of said hearing.

(e) In the event a fiscal note has been requested by any member, a bill shall be held on the order of second reading until the fiscal note has been supplied, or determined to be inapplicable.

43. There shall be printed at the top of each bill filed or introduced, a synopsis thereof which shall be prepared by the Legislative Reference Bureau, and all bills filed or introduced, shall be first approved as to form by the Legislative Reference Bureau.

(c) When a bill has been reported from a committee with amendments thereto and with the recommendation that the amendments be adopted and that the bill do pass as amended, any such amendment recommended by the committee shall not be considered by the House unless printed prior to consideration of the bill on second reading, and unless the member that presented the amendment to such committee or some member of the committee makes a motion that the amendment be adopted.

48. Bills reported from a committee with the recommendation "do not pass" or "do not pass as amended" shall lie on the table for not more than two legislative days thereafter, at which time, unless within that time a written motion is made to take such bills from the table, supported by a majority vote of the members, such bills shall be considered as finally tabled and stricken.

49. After the second reading of the bill, and amendments, if any, the Speaker shall order the bill transcribed, typed and advanced to the order of third reading.

50. The vote on the passage of all bills shall be by yeas and nays upon each bill separately and shall be entered upon the Journal. When a bill receives a

constitutional majority upon the passage, the Speaker shall declare that the bill has passed. When a bill shall fail to receive a constitutional majority upon its passage, the Speaker shall declare that the bill has failed to pass.

51. When an emergency is expressed in the preamble or body of an Act, as a reason why such Act should take effect prior to the first day of July, next after its passage, and when such an Act contains a clause or proviso fixing such time prior to the first day of July, the question shall be, "Shall the bill pass?" and if decided affirmatively by a vote of two-thirds of the members elected to the House, then the bill shall be deemed passed; and if, upon such vote a majority of said members elected, but less than two-thirds thereof, vote affirmatively on said question, then the vote on said bill shall be deemed reconsidered and the bill subject to amendment by striking out such part thereof as expresses an emergency and the time of taking effect, and then said bill shall be under consideration upon its third reading, with the emergency clause and time of taking effect stricken out; provided, however, that such amendment, striking out the emergency clause shall be printed and placed on the desks of the members before said bill is again considered upon third reading.

52. When a bill passes it shall be certified by the Clerk, who at the foot thereof, shall note the day it passes.

## VII RESOLUTIONS

53. (a) All resolutions and petitions except death, congratulatory and adjournment resolutions, and those affecting the rules shall consist of an original and four copies and shall be referred to the appropriate committee without debate, except that as hereinafter provided and in the case of demonstrable emergency, a resolution may be advanced by the House to the Speaker's Table without reference to committee. Upon agreement between the Speaker and Minority Leader, all non-controversial resolutions including congratulatory and death resolutions may be considered without suspension of the rules and adopted as a group by a single motion to adopt on a given legislative day.

(b) All resolutions proposing changes in the Constitutions of the State of Illinois or of the United States by amendment or by Constitutional convention shall be so designated and be numbered consecutively. All such resolutions shall be listed on the House Calendar before they are called, and shall be read on three separate legislative days before consideration for passage. No such resolution shall be advanced without reference to committee. All such resolutions proposing changes in the Constitution of the State of Illinois shall require for adoption a two-thirds Constitutional majority. All such resolutions proposing changes in the United States Constitution shall require for adoption a Constitutional majority. Notwithstanding the provisions of Rule 93 (a) the provisions of Rule 53 (b) may not be suspended except upon a vote of two-thirds of the members of the House.

## VIII

### VOTING

54. When taking the yeas and nays on any question to be voted upon, the electrical roll call system, may be used, and when so used, shall have the same force and effect as a roll call taken as otherwise provided in these rules.

55. When the House is ready to vote upon any question requiring a roll call and the vote is to be taken by the electrical roll call system, the Clerk immediately shall start the vote-recording equipment and when the vote is completely recorded, shall advise the Speaker of the result, and the Speaker shall immediately advise the House. The Clerk shall enter upon the Journal the result in the manner provided by the Rules.

56. Upon the request of any member, the electrical roll call system shall show a continuous total of the vote on any question for such time as the Speaker may allow in his discretion.

57. Any member, after the yeas and nays on any question have been taken by the electrical roll call system, who is not recorded as voting may, before the end of the legislative day, be recorded as present and not voting.

58. No member shall vote for another member; nor shall any person not a member cast a vote for a member. In addition to such penalties as may be prescribed by law, any member who shall vote or attempt to vote for another member may be punished in such manner as the House may determine.

If a person not a member shall vote or attempt to vote for any member, he may be barred from the floor of the House for the remainder of the session and may be punished further in such manner as the House may deem proper in addition to such punishment as may be prescribed by law.

59. Deleted.

60. Only when the electrical roll call system is not working an oral roll call of the yeas and nays of the members shall be taken. The names of the members in an oral roll call shall be called in alphabetical order.

61. Questions shall be distinctly put in this form, viz: "All those in favor vote 'Yea' " and, after the affirmative vote is expressed, "Those opposed vote 'Nay'." If the Speaker doubts, or if a division be called for, the House shall divide; those in the affirmative shall first rise from their seats, and afterwards those in the negative.

62. Upon the motion of any member, supported by five additional members, whether made before or after a viva voce vote, or before or after division a roll call shall be taken on any question, and entered upon the Journal. Such demand must be made before proceeding to other business.

63. Any member may demand a verification of a roll call vote. The Clerk shall then read first the names of those members voting in the affirmative, then of those voting in the negative, and any member may have his vote corrected. No member shall be permitted to change his vote, as recorded, after

the roll call has been verified and the result declared. Notwithstanding a motion to reconsider, a member, supported by five other members, shall be entitled to a verification of a roll call on the bill or resolution last considered by the House until either the next bill or resolution be called or the House proceed to the next order of business whichever occurs first. Except for such verification, the bill or resolution shall be deemed finally disposed of if a motion to table prevails.

64. After the vote is completely recorded, any member who is recorded as present on the roll call for attendance but who has not voted, may, by unanimous consent, and before the end of the next legislative day, have his name shown in the Journal as voting on the question, in the affirmative, or the negative, or present, so long as such vote does not change the result previously announced.

## **IX**

### **PRACTICE**

65. Every motion shall be reduced to writing, if the Speaker or any member desires it.

66. When a motion is made, it shall be stated by the Speaker or, if it be in writing, it shall be read aloud by the Clerk before debate thereon.

67. After a motion is stated by the Speaker or read by the Clerk it may be withdrawn only by leave of the House.

68. Any member may call for a division of the

question, when divisible, but a motion to strike out and insert shall be indivisible.

69. After a question is under consideration, it may be withdrawn, postponed or tabled by unanimous consent or if unanimous consent is denied, by a motion adopted by a majority of the members voting.

70. All questions, except as provided in Rule 71, whether in the Committee of the Whole or in the House, shall be disposed of in the order in which they are moved.

71. (a) When a question is under debate no motion shall be received but—

To fix the time to which to adjourn or recess.

To adjourn or recess.

A call of the House.

To lay on the table.

The previous question.

To commit.

To postpone to a day certain.

To postpone to a day indefinite.

To strike the enacting clause.

To amend.

These motions shall have precedence in the order in which they are named herein.

(b) A motion—

To postpone to a day certain,

To commit, or

To postpone indefinitely,

being decided shall not be allowed again on the same day, or at the same stage of the bill or proposition.

(c) A motion to strike out the enacting clause of a bill shall have precedence of a motion to amend, and if carried is equivalent to its rejection.

72. When a call of the House, or a roll call upon any bill, resolution, or motion, shall disclose there is not a quorum present, then the following shall be the order of business—

A motion: To produce a quorum by compelling the attendance of absent members.

To fix the time to which to adjourn or recess.

To adjourn or recess.

For a call of the House.

73. (a) A member who voted on the prevailing side on a recorded vote on a bill or matter still within the control of the House may on the same day move to reconsider the vote or may give written notice that he will make such a motion not later than the next legislative day. The motion to reconsider may be laid on the table without affecting the vote to which it referred. When the motion to recon-

sider or the notice of the motion is made within three days of June 30th of a regular session, any member may move that the vote on reconsideration be taken immediately. A question that requires the vote of a constitutional majority or more to carry requires the vote of a constitutional majority to reconsider.

(b) If a motion to reconsider is made in compliance with this rule and thereafter a motion to table said motion shall prevail, the question shall not be further considered.

74. A motion to adjourn shall be decided without debate and is not subject to amendment.

75. A motion to lay any particular proposition on the table shall apply to that particular proposition only.

76. (a) The previous question shall be put in this form: "Shall the main question be now put?" and until it is decided shall preclude all amendments or debate. When it is decided that the main question shall not be put, the main question shall be considered as still remaining under debate.

(b) The effect of the main question's being ordered shall be to put an end to all debate, and bring the House to a direct vote, first, upon all amendments reported or pending in the inverse order in which they are offered. After the motion for the previous question has prevailed, it shall not be in order to move for a call of the House unless it shall appear by yeas and nays, as taken on the main question, that no quorum is present; or to move to

adjourn prior to a decision of the main question; provided, if a motion to postpone is pending the only effect of the previous question shall be to bring the House to a vote upon such motion.

77. Any two members shall have the liberty to dissent from and protest, in respectful language, against any legislative act or resolution which they think injurious to the public or any individual, and have the reasons of their dissent entered upon the Journal.

78. An appeal from a decision of the Speaker or Chair may be made upon the request of six members and shall prevail if supported by the vote of ninety-five members on roll call.

79. A member may move that a committee be discharged from consideration of any bill or resolution theretofore referred to it by giving written notice thereof during the order on "Resolutions". The motion to discharge a committee shall be carried on the calendar on the next legislative day and shall not be acted upon until the notice is on the calendar. The motion shall prevail if supported by eighty-nine votes on roll call and such bill or resolution shall thereupon be placed on the House calendar.

80. (a) The hour at which every motion to adjourn is made shall be entered on the Journal.

(b) Unless otherwise ordered by the Speaker, nine thirty o'clock in the morning shall be the standing hour to which the House shall adjourn.

Any member shall have two minutes in which to explain his vote at any time before the vote is completely recorded, and this right shall prevail even after a motion for the previous question has been carried.

90. If a question be lost by adjournment of the House, and revived on the succeeding day, no member who has spoken on the preceding day shall be permitted to speak again on the same question without leave.

91. If any member, in speaking or otherwise, transgresses the Rules the Speaker shall, or any member may, call him to order.

## **XI**

### **ROBERT'S RULES OF ORDER**

92. The rules of parliamentary practice comprised in the latest edition of Robert's Rules of Order—Revised, shall govern the House in all cases in which they are applicable and in which they are not inconsistent with the standing rules and orders of the House, or the joint rules of the Senate and House of Representatives.

(b) No rule shall be altered or amended unless a notice specifying the proposed change has been printed and placed on the desks of the members on the legislative day previous thereto and unless upon the vote on roll call of two-thirds of the members present, but any amendment or alteration having the approval of the Rules Committee may be adopted on roll call or division by a majority of the members at any time without the foregoing notice.
